

Café Crème 2709

Engineered Luxury Vinyl • Valmont Place

This product is not part of our regular line.

Benefits

Family friendly (including pet)

100% Waterproof
Ultra-durable wear layer with ceramic bead technology
Easy to clean
Stain resistant, including pet stains

Safe and healthy

Antimicrobial protective treatment to inhibit the growth of mold and mildew.
Phthalates-Free products meaning that they will not affect your quality of life
FloorScore® Certified for compliance with rigorous indoor air quality requirements
E1 Certified meaning that the product meets the European standard for indoor air quality
Made of virgin PVC (no recycled content) ensuring a uniform composition that doesn't contain any harmful substances.

Performant and durable construction

Ultra-durable wear layer with ceramic bead technology
High-density rigid core vinyl planks (SPC)
Very sturdy - can withstand heavy furniture such as kitchen cabinets and islands
Performs in extreme temperatures (-4 to 122 °F / -20 to 50 °C)
Light commercial abrasion resistance
BLC Certified ® - Ensures that the floor covering you're buying surpasses industry quality standards.

Easy maintenance

100% Waterproof
Antimicrobial, anti-mold and anti-fungal
Easy to clean
Stain resistant, including pet stains

Easy and versatile Installation

Floating installation
2 in 1 - comes with an attached underlayment
Can be installed in 3-season cottages (-4 to 122 °F / -20 to 50 °C)
No acclimation required
Compatible with embedded radiant heating
Can be installed on all floor levels
No telegraphing, even when installed over hard surface flooring
Installations of up to 4225 sq. ft. (65 linear ft.) in an open space without transition moldings
Matching moldings available

Quiet and comfortable

Foam backing for greater temperature and sound insulation
High soundproofing ratings (IIC/STC)

Notable look

Matte finish

Best-in-class Warranty

30 Days No Questions Asked Replacement

Quickship
