NEW DC-250 SMART ADVANCE

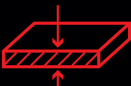

THE WORLD'S
FIRST INTELLIGENT
TILE CUTTER
WORLDWIDE THAT
GETS IT RIGHT.
EVERY SINGLE
TIME.

Working smart is not about shortcuts, it's about sharper thinking and improving the outcome with intelligent solutions. And sometimes it means daring to question how things have always been done.

Cut the hard work with:

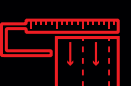

- **Smart Automation:** Multiple automatic settings let you prioritize either speed or finish quality.
- **Flawless Finish:** Uniform cuts with no chips or rough edges.
- **Blade-Adaptive Tech:** Extends blade life, reduce burning and prevents glazing.
- **Integrated protection system:** Stops the engine if the blade jams or overheats, protecting your tools and workflow.
- **Two Operating Modes:** choose between Manual or Automatic to match your pace and precision needs.
