

Tartan J1802

Broadloom • Tryesse Couture

Benefits

Safe and healthy

Green Label Plus certified ensuring that you are purchasing the very lowest VOC-emitting products on the market
Improves indoor air quality by trapping particles, removing them from the breathing zone and reducing their circulation
Cushion falls and reduces the risk of injury
Soft to the touch but also for the body thanks to its shock absorption capacity which helps limit damage to muscles and articulations

Environmentally-Friendly

Our carpets are made with clean energies such as hydro-electricity and natural gas
All of our carpets are made with solution-dyed fibers a process that reduces significantly our water consumption
The backing of our Tryesse Couture collection incorporates a 35% recycled content

Best-in-class Warranty

No Questions Asked Replacement

Limitless designabilities

One of the most versatile floor coverings because you get to choose from a wide range of colors and textures
The ColorPoint tufting technology offering unique and trendy designs.

Warm, quiet and comfortable

Without a doubt, the most comfortable flooring
Incredibly soft and warm to the touch
Greatest soundproofing and insulating properties
Reduces heat loss

Stain resistant & easy to clean

Protected with Stain Control for resistance to the most stubborn stains
Treated with SoilScreen to keep soil on the surface making your carpet easier to clean
Pet Stainproof – Beaulieu Canada's promise that your carpets will be protected from your pets' mishaps
Stainproof for life meaning you're buying a carpet that offers lasting stain resistance
Made with solution-dyed polyester, a fiber inherently resistant to stains

High performance

Made with our Tryesse Couture solution-dyed polyester fiber for notable softness and excellent stain and fade resistance
